KEY

◣ The perfect match between the colours found on the matching furniture and the door of your chosen kitchen.

◢ Recommended combination (compatible in terms of styling but not the perfect colour match between the matching furniture and the door of your chosen kitchen).

◪ Perfect match only for certain colours found on the matching furniture and the kitchen door and recommended combination for other colours (compatible in terms of styling but not the perfect colour match between the matching furniture and the door of your chosen kitchen).

Elements to suit all models (in terms of styling, they can be combined with any kitchen model without a specific colour / wood / finish combination).

Come and discover the world of Scavolini with your own eyes.
At our authorised Dealers, you will find a wide range of products on display, along with our catalogues and a wealth of informative material.

Scavolini Spa supplies this catalogue to its clientele, who are authorised to distribute it to members of the public with no restrictions. However, it may not be given, even in copied form, to anyone in business in the fitted kitchen sector (e.g. agents, dealers, etc.) anywhere in the world. Unless authorised in writing by Scavolini Spa, all breaches of the above conditions will result in prosecution.

The colours referring to the materials illustrated inside this catalogue do not always correspond to the real ones for obvious printing reasons. Colours and shades can be seen at the Points of Sale, directly on materials and sample sets.

The design of Scavolini products is protected as permitted by law. In addition, some parts of the model and/or certain compositions may be patented and/or registered.

Scavolini has a Quality Management System in compliance with the UNI EN ISO 9001 standard, as well as an Environmental Management System in compliance with the UNI EN ISO 14001 standard. That's not all. Scavolini is also the first Italian kitchen manufacturer to have implemented a Health and Safety Management System in compliance with the OHSAS 18001 standard. All the Systems have been certified by the International Body SGS, who bestowed Scavolini with the prestigious Merit Award in recognition of the excellence achieved by the company in controlling quality, the environment and safety.

Scavolini has fulfilled its aim of autonomously producing green energy for its own plants. With a total surface area of 30,000 sq m of photovoltaic panels, the system can provide an annual production of approximately 3,500,000 kWh of clean energy to cover more than 80% of Scavolini's energy demand and, when demand exceeds supply, of certified energy from renewable sources.

The publication herein illustrates the tables and chairs designed by Scavolini to furnish its kitchens.
The tables and chairs regarding each individual model can be consulted in the dedicated kitchen catalogue.

TABLE DIMENSIONS
Caution: the table sizes may vary with a tolerance of less than 1 cm, owing to production requirements.

"CUSTOM-MADE" ELEMENTS
Scavolini will be happy to supply any "CUSTOM-MADE" element that the company considers as feasible.
However, kindly bear in mind that:
- the very large range of standard elements provides an exceptionally high degree of compositional freedom;
- "CUSTOM-MADE" elements cost more than the standard equivalents;
- the delivery times of "CUSTOM-MADE" elements can be higher than standard delivery times;
- due to their uniqueness and specific manufacturing requirements, "CUSTOM-MADE" elements may not give the same guarantees as standard elements, in spite of the great attention paid by the Company.

Scavolini reserves all rights to make any changes intended to improve its products without notice.
No responsibility is accepted in the event of inaccuracies in this catalogue due to printing or typing errors.

Scavolini has obtained the "Made in Italy" product, origin and quality Certification issued by COSMOB and CATAS, the two biggest testing and certification laboratories for wood-furnishings in Italy. This certification declares the Italian origin of furniture, including both the kitchens and living rooms range as well as Scavolini bathroom furnishings.
