

The image shows a large exhibition stand for the brand 'connubia' at the Salone del Mobile in Milan. The stand is composed of a large white rectangular wall in the background and a long, low orange rectangular counter in the foreground. The word 'connubia' is displayed in a black, lowercase, sans-serif font on the white wall, which is illuminated from behind. On the orange counter, there is a computer monitor on the right side and a mouse on the left. The stand is situated in a large, modern exhibition hall with a high ceiling featuring exposed steel beams and industrial-style lighting. To the left of the stand, there is a display area with blue armchairs and a shelving unit. To the right, there is another display area with a dining table and chairs. The overall atmosphere is clean, minimalist, and professional.

connubia
