# What is Connubia

## Connubia: una storia di passioni e di legami

Connubia è un brand di Calligaris S.p.A., la realtà italiana che ha saputo evolversi nei suoi 100 anni di storia grazie alla capacità di amalgamare sapien-temente abilità artigianali e innovazione.

Ciò che ci motiva è fare dei prodotti che incontrino il gusto delle persone e le uniscano. Prodotti che creino valore con una importante attenzione al bene del nostro pianeta. Lo facciamo combinando le conoscenze e le competenze dei nostri artigiani, tramandate negli anni a promettenti giovani talenti, con nuove tecnologie, nuovi materiali e tecniche di sviluppo innovative. Tutti i materiali che utilizziamo rispettano severi standard dove la qualità e la sostenibilità sono elementi essenziali in ogni pas-saggio del processo di ideazione e produzione.

È per questo che i prodotti Connubia sono belli, funzionali e fatti per durare nel tempo.

Ci piace vivere la famiglia e gli amici. Ci piace vivere ogni giorno come un nuovo giorno, ci piace creare prodotti da condividere, da conservare per sempre. Connubia è il brand giovane e contemporaneo di Calligaris, un brand italiano con prodotti di design che sanno raccontare le nostre storie, perché è proprio dallo stare seduti insieme intorno ad un tavolo che nascono incontri, condivisioni ed emozioni che Connubia mette al centro della propria ispirazione. I prodotti Connubia hanno un de-sign semplice, funzionale, dove il colore esprime vitalità e personalità. Prodotti che vogliono essere rispettosi dell'ambiente utilizzando sempre di più materiali ecosostenibili a basso impatto ambientale. Sedie, tavoli e complementi, indoor e outdoor, ca-paci di adattarsi a contesti diversi e di creare spazi di ispirazione per la vita, il lavoro e la comunità.

## Connubia: a story of passions and ties

Connubia is a brand of Calligaris S.p.A., the Italian reality that has been able to evolve in its 100 years of history thanks to the ability to skillfully amalgamate craftsmanship and innovation.

What motivates us is to make products that meet the taste of people and unite them.

Products that create value with a special attention to the well-being of our planet. We do this by combining the knowledge and skills of our artisans, handed down over the years to promising young talents, with new technologies, new materials and innovative development techniques.

All the materials we use comply with strict stan-dards where quality and sustainability are essential elements in every step of the design and production process. This is why Connubia products are beau-tiful, functional and made to last.

We like to live family and friends. We like to live every day like a new day, we like to create products to share, to keep forever. Connubia is the young and contemporary brand of Calligaris, an Italian brand with design products that can tell our stories, because it is precisely from sitting together around a table that meetings, sharing and emotions are born and Connubia puts them at the center of its inspiration.

Connubia products have a simple, functional design, where color expresses vitality and personality. Products that want to be environmentally friendly using more and more eco-friendly materials with low environmental impact.

Chairs, tables and occasional furniture, indoors and outdoors, able to adapt to different contexts and create inspiring spaces for life, work and community.

Tutti i materiali che utilizziamo rispettano severi standard qualitativi. I tessuti che abbiamo selezionato per voi sono piacevoli al tatto, resistono alle macchie e mantengono inalterati i colori anche dopo molto tempo. I nostri piani in ceramica hanno eccezionali caratteristiche di resistenza, sono facili da pulire e assolutamente igienici. Il legno che utilizziamo viene protetto con speciali cicli di verniciatura che offrono un'efficace barriera contro le macchie. Calligaris S.p.a. è inoltre certificata FSC®, il marchio che identifica i prodotti contenenti legno proveniente da foreste gestite in maniera corretta e responsabile secondo rigorosi standard ambientali, sociali ed economici.

All our materials comply with the strictest quality standards. For your pleasure, we have sourced fabrics which are not only delightfully tactile and stainresistant, but ones which hold their colour over time. Our ceramic tops are exceptionally hard-wearing, easy to clean and utterly hygienic. Our wood is protected with special varnishing processes which create an effective barrier against staining. In addition, Calligaris S.p.a. is FSC® certified, meaning that it only uses wood that comes from well-managed forests in compliance with strict environmental, social and economic standards.
